Send the request form to karibugifts@gmail.com or khaya@polka.co.za with photos of your products and presentation(display). Forms lacking images of products and displays will not be considered.

Once your form has been received, we will acknowledge it and send the market registration or application form as soon as it becomes available. Typically, the application period for a weekend market starts around one month before the event date, whereas for the Winter and Christmas markets, applications generally open about five months beforehand. We will provide an application or registration form for the first market that you've expressed interest in. Should we receive no reply, we will infer that you are no longer interested and will subsequently void your request form. All applications will be kept on record for the year 2027; if your current application is not successful, we strongly advise you to reapply next year.
